Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the for Physician Office Building in Chatom, AL in fiscal year 2024. The entity to receive funding for this project is Washington County Healthcare Authority located at 14600 St. Stephens Avenue in Chatom, AL 36518. Funding would be used to build a physician office building to serve a rural population in need of healthcare access. This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Jerry L. Carl". The signature is stylized with a large, sweeping initial "J" and a long horizontal line extending from the end of the name.
